Terrain

To ensure consistency between games and for realism vs terrain playability purposes, terrain will be the following height.

- Hills, height 3
- Forests, height 9
- Blocking Terrain, height 9
- Marshes/Fields, Flat
- Obstacles, height 2 (as per rulebook)

Scourge of the South

Scoring

We will be using the Blackjack Tournament System for scoring as described [here](#).

Scenarios will be determined before the event and scenario sheets handed out for scoring on the day.

There will be 10 points available for a fully painted army. Non-fully painted armies will receive 0.

Painting/Modelling

There are no painting requirements for the event however units must be representative of the entry taken and should have at least half the unit size +1 to represent the unit (ie. A regiment of Infantry should have at least 11 models).

Location

- A. Entry to centre off Box Road
- B. Location of the event, please walk around the side closest to the sport fields
- C. Parking
