To ensure consistency between games and for realism vs terrain playability purposes, terrain will be the following height.

- Hills, height 3
- Forests, height 9
- Blocking Terrain, height 9
- Marshes/Fields, Flat
- Obstacles, height 2 (as per rulebook)

Scourge of the South II

Scoring

We will be using the Blackjack Tournament System for scoring as described [here](#).

Scenarios will be determined before the event and scenario sheets handed out for scoring on the day.

There will be 10 points available for a fully painted army. Non-fully painted armies will receive 0.

Painting/Modelling

There are no painting requirements for the event however units must be representative of the entry taken and should have at least half the unit size +1 to represent the unit (ie. A regiment of Infantry should have at least 11 models).

Location

A.   Entry to centre off Box Road
B.   Location of the event, please walk around the side closest to the sport fields
C.   Parking
